TREASURES FROM OUR TRADITION

Back to work we go! Summer break is over and there is much to accomplish in school and in the workplace. It's a venerable Catholic custom to assign patron saints to the trades and occupations of life. This is largely in the realm of popular devotion, and although from time to time the Vatican declares a saint to be patron of this or that, the process is free-wheeling and just about uncontrollable. Still, there is a saint for almost any purpose, whether you are on death row (Dismas), having eye trouble (Lucy), or pursued by poisonous toads (Hubert). Medieval guilds would often associate themselves with heavenly patrons, so Saint Joseph has the carpenters, Thomas More the lawyers, and physicians get Saint Luke. If you're stuck in the airport, St. Joseph of Cupertino is on call since he was said to rise off the floor when he prayed, and if you're in a long line at the ATM, Saint Anthony Claret is for you.

In recent years, the Vatican has from time to time assigned a new patronage, as when Saint Aloysius Gonzaga was named the patron of HIV-AIDS patients, since as a young Jesuit novice he had cared for his fellow novices during a terrible plague. Anything that matters to us—nation, parish church, occupation, illness—can have a patron, and it is an aspect of Catholicism that has enormous appeal. To believe in the "communion of saints" is to know that the ties that bind us as a communion do not unravel with death, and that when we stand before life's struggles, we do not stand alone. Who is your patron saint?
